Liquip Product Availability and COVID-19

Dear Valued Customers,

As the situation impacting the market continues to develop regarding coronavirus (COVID-19), Liquip has been working effortlessly to ensure we are positioned to provide continuity of supply of the Liquip product line.

Liquip acknowledges that having access to product is critical to your business operations and we want to advise you that we do not anticipate any product supply issues. Particularly, for Liquip products we believe supply will continue without impact. To assist with orders being supplied on time please provide us with purchase orders ahead of time where possible.

As the current situation is fluid and constantly evolving, we are continuously monitoring government advice/actions and our supply chain to ensure we react accordingly to provide ongoing supply to meet customer requirements.

If you have any questions, please contact your local Liquip representative or our customer service team on +61 2 9725 9000.

Sincerely,

Joshua James
